**Summary of reasons
for classification:**

The publication entitled *gym_star_is3233279560* is classified as:
Unrestricted.

The publication is a computer text file that is a chat log recording internet conversations between a 57-year-old man and a 13-year-old girl. The publication is a record of the man's attempt to engage the girl in an online sexual relationship. The girl's disdainful and angry responses to questions about sexual matters during the brief time covered by the chat log does not result in an impression that what the man is doing is acceptable or in any way appropriate. As such, the publication cannot be said to promote or support, or tend to promote or support, the exploitation of children or young persons.

An unrestricted classification places no limitation on the freedom of expression as set out in Section 14 of the New Zealand Bill of Rights Act 1990.
